

# Defensive Driving Level 2 Certificate

ASET

## Who is the course for?

Anyone who wants to improve their driving skills. It provides knowledge and skills that will be an advantage if you are interested in a professional driving role - taxi driver, bodyguard, chauffeur, mini-bus driver, HGV or PCV driver.

## Course Content

Many initiatives aimed at reducing traffic incidents including "Driving at Work - Managing Work-Related Road Safety", a joint venture with the Department of Transport, HSE and the "Think! Road Safety" campaign.

This course will help you to:

- understand what defensive driving is and why it is important
- develop skills and attitudes for defensive driving
- use these skills to improve vehicle performance and safety
- be more aware of the driving 'environment' and how best to negotiate it
- understand and improve attitudes and behaviour towards driving

It may entitle you to a reduction in your insurance premium through insurers connected to the scheme!

## Assessment

- workbook including highway code test
- online hazard perception test
- practical driving assessment assessed by ASET-validated materials

## Course Requirements

You must have a full driving licence.
